

# DECK FOR A SOLDIER

The Voice Of the Deck  
And Railing Industry

**Notice of Build: NADRA's Western Washington chapter beginning a build in your area, Lacey, WA.**

## **DECK FOR A SOLDIER®**

NADRA began its Deck For A Soldier program in 2007, now our Western Washington chapter is bringing it home to our own armed forces in 2011. This community effort will convey our support for the men and women of all the military branches; expressing that their service and dedication is cherished within our community. Please visit [www.NADRA.org](http://www.NADRA.org) for more information on this project and other projects that have already been completed.

The Western Washington Chapter of NADRA is going to be breaking ground in your area on March 25th, 2011. Project to be completed May 30th, 2011. Most builds will consist of weekends throughout this time period, but the occasional daytime work may be necessary.

We will be holding a ribbon cutting ceremony May 30th, 2011 and would like to invite the neighbors out to view the deck and congratulate the Home Owners on their new home addition! If you are interested in attending this event please contact - Kate Royer, Screw Products, Inc. 1-877-844-8880. M-F 7AM-4PM.

Our team will do everything possible to make sure there are no inconveniences to the neighboring areas, however, if there are any concerns please contact us.
